

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
1	<u>Amazing Images</u>  Photos of seasonal changes throughout topic	<u>All About Algorithms</u>  Bright Lights Big city, driving Beebot around floor map	<u>Puppet Masters</u>  Rio Carnival linked to dance and music	<u>Let's Make a Card</u>  Link with RE – Easter	<u>Cool Researchers</u>  Dinosaurs, reports, measurement, Geography.	
2	<u>Brilliant Beebots</u>  Moving pirate to collect treasure.	<u>Let's Animate</u>  Stop go animations of own aliens exploring local area	<u>Basic skills</u>  Understanding how to log on, use the internet, access images and word process.	<u>Algorithms</u>  Understanding, creating and debugging Algorithms. (ALEX, Unplugged activities, BeeBots, Scratch/Kodu).	<u>Let's Blog</u>  Blog of research and information found about insects.	<u>Super Slideshows</u>  Pictures and facts about flowers and/or butterflies
3	<u>Let's Be Safe</u>  E-Safety and creating a Publisher leaflet about e-safety.	<u>Video Magic</u>  Drawing a simple character on the computer and creating a stop motion animation.	<u>Basic skills</u>  Understanding how to log on, use the internet, access images and word process.	<u>Let's Communicate Online</u>  E_Safety online and how to use a school blogger.	<u>Algorithms</u>  Understanding, creating and debugging Algorithms. (ALEX, Unplugged activities, Scratch/Kodu).	<u>Digital Artists</u>  Taking and altering of digital photographs.
4	<u>Conversations</u>  Programming Two potion bottles talking to each other. (Scratch)	<u>Multimedia Books</u>  Books about comparison between Celt and Roman soldiers	<u>Amazing Adventures</u>  Making a PowerPoint presentation to tell a story.	<u>Let's Communicate Online!</u>  How to use E-mail appropriately and safely (E-safety)	<u>Algorithms</u>  Understanding, creating and debugging Algorithms. (ALEX, Unplugged activities, Scratch/Kodu).	<u>Coding with Kodu</u>  Create, code and programme a playable video game.
5	Programming	<u>Making a 3D Model</u>  Star Gazers, making and designing new planets etc	<u>Basic skills</u>  Understanding how to log on, use the internet, access images and word	<u>Podcasts</u>  Interviews with peasants, witnesses (Peasants, Princes and Pestilence).	<u>Website Designers</u>  Scream Machine - make own website for own theme	<u>Magic Maths Quiz</u>  Pharaohs - link to coding using hieroglyphics.

			process.		park, look at others for inspiration.	
6	<u>Video Makers</u>  Make videos about trip to Eden Camp	<u>Making a Maze Game</u>  Frozen Kingdom - link to Shackleton's journey, find a way out.	<u>Algorithms</u>  Understanding, creating and debugging Algorithms.	<u>Coding with Kodu</u>  Create, code and programme a playable video game.	<u>Let's Communicate</u>  Tomorrow's World. Effective and safe online research, history of computing, email and blogs.	<u>Presenting with Prezi</u>  Gallery Rebels, research on artists and works.
