Chairperson of Governors, Mark White • Head Teacher, Adam Cooper

Abingdon News January 2017

The children at Abingdon Primary always enjoy opportunities to share their learning in school with you, their parents and carers. Each year group is organising an event in February where you can come into school to find out about what your children are learning this half term. The events we organised last term were very well supported; thank you to everyone who took the time to come into school. We really hope you will be able to attend this term's events.

Parents / Carers are invited to the following year group events:

Reception: Finding out about phonics – week beginning 6th February (day to be confirmed)

Year 1: Poetry Performance - Friday 27th January at 2:30

Year 2: Y2 band performance – week beginning 13th February (day to be confirmed)

Year 3: Greek Day - week beginning 13th February (day to be confirmed)

Year 4: Making Roman and Celtic Shields – Monday 6th February at 1:00

Year 5: Hunting for Gold - week beginning 6th February (day to be confirmed)

Year 6: Writing and grammar in Y6, everything you need to know about preparing for SATs – Wednesday 15th February at 1:00

Once the dates in February are confirmed, the class teachers will let you know. We will also send out push notification reminders on the Abingdon APP on the day of the event, so remember to check that you are signed up to receive the notifications for your child's year group on your phone or tablet.
