

Count in multiples of 4, 8, 50 and 100; find 10 or 100 more or less than a given number.

Estimate amounts (e.g. how many biscuits in a tin).

Read, write and order numbers to at least 1000 in numerals and words.

Recognise place value of 3 digit numbers.

Learn by heart multiplication and division facts for the 3, 4 and 8 times tables.

Year 3 Maths

Add and subtract 3 digit numbers. Multiply a 2 digit number by a 1 digit number.

Count up and down in tenths. Compare and order fractions. Add and subtract fractions with the same denominator.

Measure, compare, add and subtract lengths, mass and volume / capacity.

Add and subtract money, including £s and pence, and work out change.

Tell the time (including Roman numerals on a clock face). Use 12 and 24 hour clocks.
