

Abingdon Primary PE and Sport Premium Report for 2017/2018

The Primary PE and Sport Premium was launched by the government in April 2013 and previously was available for four years to July 2017. This funding period has been extended alongside a welcome doubling of the funds. It is ring-fenced funding to be used by the school to achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (below) that will live on well beyond the Primary PE and Sport Premium funding.

The national vision is for: “All pupils leaving primary school [to be] physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.”

In academic year 2017/18, we will/have received £16000 + £3500 Having consulted with pupils and parents, and to support our wider vision and plans for PE and sport, we have/plan to spend the Premium in the following ways.

<i>How the money will be spent under each Key Indicator</i>	<i>Amount</i>	<i>Targeted pupils</i>	<i>The IMPACT on pupils (actual or expected)</i>	<i>Sustainability / What Next?</i>
1. The engagement of <u>all</u> pupils in regular physical activity – kick-starting healthy active lifestyles, including any additional provision for swimming funded by the premium.				
Plan and construction of a School Trim trail	£4500	KS2 children	KS2 Children engage in non-traditional forms of fitness training. Engage otherwise inactive cohort of children whilst further motivating active enthusiastic children. Improve core strength and aerobic fitness	Teachers and supervisory staff trained to use and supervise exercise and training routines. 15 year guarantee on the equipment.
Extended Schools enrichment outside agencies. Explore new sports to widen children’s awareness, experiences and participation. Continue	£2400	Pupil premium & historically less active.	Introduce six new sports to our extended schools programme. Money will allow expert coaches to be sourced or transport to a local venue. School council and sports crew to be consulted on range of new activities. Possible focus OAA (climbing, bush craft orienteering)	After attendance children will be sign posted to local clubs to continue engagement.
Health week planned	£500	Whole school	A week long programme of activities: assemblies, demonstrations, and physical activities. Cross-curricular links with science and Eco team.	Review and evaluation will analyse the activities with the greatest impact. Use survey to plan and develop next year’s event
2. The profile of PE and sport being raised across the school as a tool for whole school improvement				
Magisto subscription (media platform) Release time for IT	£460	School	Fortnightly tweet or webpage update newsletter included in school newspaper. Termly sports activity report. Recognition of efforts from	Sports crew and News crew are trained in the publishing of articles and will mentor

support.		community Partners and families	school partners and wider community.	the next cohort of Year 4&5 children
Staff and children are trained to tweet, blog and report. The reporting is built in to the school SIP		Games and News crew	Children are taking the ownership of the school profile within the community at the same time as reinforcing literacy and IT skills	
Replenishment of PE equipment consumables and kit	£2500	School community Partners and families	Children value and respect appropriate equipment that helps build confidence, create challenges and develop the core skills of agility balance and coordination.	Budget adjustment will be planned to replenish old or worn equipment.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport				
CPD—Release time for staff to train, team teach, observe and be observed	£900	Whole school community	<ul style="list-style-type: none"> Children receive improved delivery of P.E. lessons. As a consequence, children’s acquisition of skills and knowledge improved – Skills and knowledge monitored on tracker and shows individual pupil progression Teachers record a greater confidence in delivery 	<ul style="list-style-type: none"> Staff cascade skills throughout phase teams. Sports TA supports and continues to support staff Improve closer ties with cluster schools to establish regular friendly fixtures
4. Broader experience of a range of sports and activities offered to all pupils (Please see - The engagement of <u>all</u> pupils in regular physical activity)				
Skipping workshops (in – house) and Festival 120 Skipping ropes	£440	Year 3/4	120 skipping ropes for every Y3 & 4 pupil. The skips will form part of their PE kit and stay in school in their kit bags. This will continue to promote fitness, coordination, cooperation, and behavior.100% children in 3&4 will have access to skips to use at break and lunchtime.	Mr. Hedgley, Miss Beetch and the Y34 staff attended the workshops allowing for the continuation of this skill and activity in subsequent years. We will embed the activity into the next year’s programme. This is a highly valued provision for KS1 and exploration of funding to sustain this for all reception children will be sought. Miss Beetch SP TA will give support to other year grps. Booking for next year and exploration of pathways are on-going.
Yoga bugs	£1500	Reception	All children’s control of their bodies, core strength and balance to be improved over the course of the term.	
Street Dance	See extended schools	KS 1& 2	See extended schools	
Destination Judo	Funding drawn from SSP	Whole school community	Physical as well as mental - development of children is critical to help them grow into healthy, well-rounded adults. The Judo experience has helped promote this and sign post children to an alternative sport	

OAA	£2400	KS 1 Lower KS2	Learning Outside the Classroom (LOTC) in a variety of settings either in the school grounds, a local woodland or park. A high level of educational value can be achieved no matter what the location. Development of a	Teachers supporting the delivery will receive in house hands on training – allowing the sustainability and continuation in the event of a budget constraint
5. Increased participation in competitive sport				
Transport and staffing—Inter school Festivals and fixtures	£2400	Whole school community	Access is guaranteed and expected. More children are able to attend inter school sporting events. Improvement of at least 10 more inter school competitions.	Budget adjustment – will allow the predicted events to be sustainable The purchase of a mini-bus is part of the school vision and funding streams are being explored.
Through the Middlesbrough alliance we will engage more children in inter school competition.	£1500	Whole school community	This year's focus will be on cluster school friendly leagues to allow for maximum participation. (the inclusion of 2 nd and 3 rd team involvement.)	Formation of a partnership grp from cluster schools will guarantee commitment to fixtures.
