

Parent Information Sheet

Year 4 - Playlist

Come with us on a journey through musical history! Sing and dance along to Pop, Rock, Reggae, Country and Jazz music while we learn about different music genres and famous musicians. Delve into the science of sound and discover how we create and hear sound.

Aspiration:

Year 4 are aspiring to become creative authors. This half term children will have the opportunity to write diary entries, newspaper articles and fictional stories, all linking with our class text, "The Bear And The Piano."

Commitment:

This half term year 4 will be committed to raising money for charity, we will visit a recording studio and record a charity single that we will sell in school.

Harmony:

Children will work in harmony in PE to create dances with an around the world theme.

5th November - 21st December (7 weeks)

Home Learning

As reading is incredibly important, we ask that you read with your child for 15minutes every night and sign the home reading records. Children should also be practising weekly spelling lists and need to know all of their times tables by the end of year 4.

As Historians:

We will be learning about the history of pop music and the origin of music genres. Children will create time lines and fact files in history.

As Musicians:

This half term children will get the opportunity to learn about music from a variety of genres and create music of their own.

As Scientists:

Children will learn about how sound is made, how it travels to our ears and conduct exciting experiments. We will learn about vibrations, sound waves and sound proofing.

Useful Information:

PE will be on a Monday this half term. We often have extra PE sessions throughout the week, so PE kits need to be in school for the entire half term.
