16th May 2019

Dear Parents/Carers,

Medical and Dental Appointments must be made outside of school hours

If your child requires a medical or dental appointment, you **must** make appointments outside school hours. Children **will not** be allowed to leave school during the school day unless it is a medical emergency or hospital appointment. You must bring the hospital letter to school reception for all hospital appointments.

All medical appointments should be arranged during the holiday periods. We have two weeks break from **Monday 27th May to Friday 7th June 2019** to make such appointments.

Every lesson is important and it can be difficult for children to catch up if they miss too much of their learning. Statistics show that children who attend school regularly make more progress and achieve better than those who do not.

Thank you for your continued support.

Yours sincerely,

Adam Cooper
Head Teacher
