

# Parent Information Sheet

## INA Collins

This half term, children will continue to develop their understanding of the English language through a variety of fun and engaging texts.

### As Geographers:

Class INA Collins will continue to become more familiar with the local area.

They will also compare the difference between common animal habitats.

### Aspiration:

We will aspire to becoming fluent in basic English so that we can communicate with our friends and teachers.

### Resilience:

We will practise using our new vocabulary in our writing.

### Commitment:

We will commit to doing our homework and to reading at home. We will bring things back to school every Monday.

### Harmony:

We will continue to share nicely and work cooperatively.

### Term Dates

February 24th to April 10th

### Home Learning

Things to practise at home:

- Months of the year
- 10 times table
- Reading the time to the hour and half hour
- Doubles and halves to 10

### As Artists:

This half term Mrs Khelifi will be teaching the children print making. The children will explore printing pictures with a range of hard and soft materials. They will experiment with pattern, rotation and overlapping and also use a range of colour.

### As Scientists:

We will learn about animals and their habitats; materials; and solids, liquids and gases.

### Useful Information:

PE will be on **Monday**. We may have extra PE sessions in the week, so we ask that PE kits are brought into school during the first week of term and left here until the end of term.
