

Parent Information Sheet

Year 5/6 JK - Junk Jungle

Is rubbish, rubbish? Can rubbish be beautiful?

Can all rubbish be recycled? Where does our rubbish go?

Our main focus this term will be on recycling with a particular focus on the 3 R's: recycle, reduce and reuse. We will be thinking about how we can help our environment, reduce our waste and/or dispose of our waste in the correct way.

Aspiration:

This term we will all aspire to improve the quality and presentation of all aspects of our work.

Resilience:

Children will be continuing to show resilience in all areas of school life.

Commitment:

Children will be encouraged to show commitment to all areas of work in class and to use Class Dojo at home.

Harmony:

We will be focussing on listening and responding respectfully to a wide range of people.

Term Dates: November 2nd - December 18th

Home Learning

Your child will have 10 spellings to learn each week. They will learn them in class during the week and then take them home to learn at the weekend. They will be tested on Monday. We expect children to read each night. Please leave a message on Class Dojo to say if they have. Your child will also receive some literacy and numeracy homework each week which will be posted on Class Dojo.

As Geographers:

We will be locating the world's countries. We will be using grid references, satellite images and photos to locate specific areas of landfill sites.

As Artists:

We will be combining prints and continuing to explore mono printing.

As Scientists:

We will be recognising how living things can be grouped in a variety of ways. Exploring and using classification keys to help group identify and name living things in their environments.

Useful Information:

PE is on **Monday**. We may have extra PE sessions in the week, so we ask that PE kits are brought into school during the first week of term and left here until the end of term.
