

# Parent Information Sheet

## Reception - Change

Reception will read *Yucky Worms* as well as *Errol's Garden*.

Who would want to be friends with a wiggly, slimy worm? You can't even tell which end is which! But there is more to these lowly animals than meets the eye... We will be burrowing right into the book *Yucky Worms* about the busy and danger filled life of the delightfully yucky earthworm.

In the book *Errol's Garden*, we will discover how an unloved outdoor space can be transformed into a magical celebration of flowers, plants and vegetables.

## As Artists:

We will learn to choose different size paint brushes to help us make detailed paintings of plants and animals.

## Aspiration:

We will commit to doing our best.

## Term Dates:

Monday 12<sup>th</sup> of April - 28<sup>th</sup> of May 2021

## As Geographers:

We will be thinking and talking about similarities and differences between plants and animals.

## Resilience:

We will keep trying even when we find something difficult to do.

## As scientists:

We will be learning about plants and animals and what they need to grow.

We will be growing out our own herbs and learning about how to prepare them from pot to plate.

## Commitment:

We will try to do some things without a grown-ups help.

## Topic Challenge Home Learning

### *Just a few ideas:*

Encourage your little one to talk you about the natural world around them. Challenge them to show you how they can take care of plants and animals.

## Useful Information:

Book Bags must be brought into school on a Friday.

Reading books will be given back out on a Monday.

## Harmony:

We will listen to our friends.
