

# Parent Information Sheet

## Year 3/4 - Growth.

This term we will begin by reading the fairy tale, Jack and the beanstalk. This story is about magic beans that grow into an enormous beanstalk, will Jack be tempted to climb the beanstalk to see where it will go? We will be following in Jack's footsteps, by using our own magic beans to grow a beanstalk and other plants as well. Will they be tall enough for us to climb?

Later in the term we will be using information books to find out how we can help our plants grow. Who will use what they find out to make their beanstalk the tallest?

### Aspiration:

Children will be aspiring to improve their handwriting and presentation in books.

### Resilience:

Children will be showing resilience as they continue their education during the pandemic.

### Commitment:

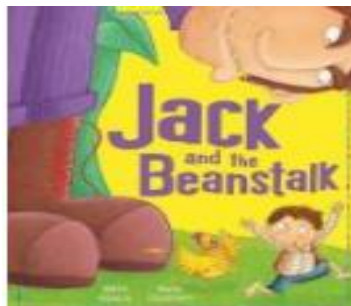

We will be demonstrating a commitment to caring for plants at home.

### Harmony:

Children will be promoting harmony in the class by demonstrating good listening skills in well being time.

### Term Dates:

Monday 12<sup>th</sup> April - Friday 28<sup>th</sup> May

### Home Learning using Class Dojo.

Keep an online weekly diary of photos, videos and sentences to describe how your garden is growing. (We are making this in school.) We will be looking at the progress each week in school.

### As Designers:

We will be designing and building a garden for plants to grow from different climates.

### As Geographers:

We will be finding out about climates around the world, comparing a country with a different climate to our own.

### As IT experts:

We will be creating a branching database to sort different plants we learn about.

### Useful Information:

PE will be on **Friday**. In the hall. Outside PE takes places on a daily basis. Please make sure your child has sensible shoes and a waterproof coat.
