

# Parent Information Sheet

## **Year 4 - Magic and Mayhem**

This half term we will be looking at the magic of the circus! Magic and mystery is all around - trust nothing but believe everything...

### **Aspiration:**

Children will focus on creating high quality pieces of writing which will be performed for their showcase event.

### **Commitment:**

We will be committed to creating an interactive circus display that will reflect the skills that the children have developed.

### **Harmony:**

Children will work in pairs and groups to explore the varying emotions of a character in a story. They will have the opportunity to use this in creative writing and evaluate and improve writing with peers.

14<sup>th</sup> June - 21<sup>st</sup> July

(5 weeks 3 days)

### **Topic Challenge Home Learning**

Children will use their allocated tablets to complete tasks set on Class Dojo. There is an expectation to complete reading comments and practise spellings every night.

### **As Artists:**

Children will focus on the artist - Henri Matisse. There will be a big focus on 'Jazz' and how Matisse painted on white paper to see the effects of the colour. We will mix colours to create hues, shades and tints.

### **As Scientists:**

We will be looking at the three states of matter: solids, liquids and gases. We will be investigating the effects of heating and freezing.

We will investigate electricity and make simple circuits using bulbs and buzzers.

### **Useful Information:**

P.E will be on Mondays. Please ensure your child has their P.E kit in school, everyday.
