

Parent Information Sheet

September 6th - October 22nd (7 weeks)

Aspiration:

Children will begin to learn the routines and how to become independent learners.

Resilience:

As a year group we will be starting to think about how we can challenge ourselves every day.

Commitment:

Children will be kind to their friends and learn how to get along with their classmates.

Harmony:

Children will make and develop friendships, and discover how to make new friends feel welcome.

Reception - Autumn 1

Everybody Welcome!

We are thinking of how to be a good friend, having kind hands and sharing.

We will be discussing what Sanctuary means and thinking about what makes us different and what makes us the same.

Topic Challenge Home Learning

Children will take their own jumper or cardigan off and put it back on again. They will put socks and tights on independently, as well as shoes.

As Authors:

We will be beginning our journeys as writers. We will be starting to learn phonics and using this to help us with reading and writing. We will start to recognise and write our own names.

As Explorers:

We will be learning about how to be a good friend. We will think about what makes us unique and ways we are the same.

As Creators:

We will look closely at our facial features so that we can create self-portraits. We will be talking about who lives in our houses and who belongs to our families and communities.

Useful Information:

Please check Class Dojo regularly for your child's homework, and to listen out for stories, songs and rhymes to join in with at home.
