

Parent Information Sheet

Year 2 - Leaf

Crow saw it first. The strange white creature, carried upon the dark waves towards the shore...

When a polar bear arrives unexpectedly in the woods, the other animals fear and avoid him, suspecting him to be dangerous as he has an odd habit of collecting leaves. Then one day, they watch as he attempts to fly over the water with wings made of colourful leaves... trying to get back home.

Aspiration:

Children will think about what they can do in the new academic year to be a kind, tolerant and helpful neighbour.

Resilience:

As a year group we will be talking about how to learn from our mistakes and improve our work.

Commitment:

We will be talking about our commitment to coming in to school ready to learn and bringing our book bag and reading record each day.

Harmony:

We will be talking about positive relationships, thinking about how the animals in the story could have been a better friend to Leaf.

Term Dates:

Monday 6th September-21st October 2021.

Topic Challenge Home Learning

Just a few ideas...

Visit our local park and collect leaves to create a piece of art work as a family!

As Geographers:

We will be looking at a variety of landscapes and using geographical language to describe geographical features.

As Artists:

We will be looking at the work of Andy Goldsworthy and Tim Pugh and trying to recreate their outdoor artwork.

As Scientists:

We will be looking at living things and their habitats.

Useful Information:

PE will be on **Monday**. We may have extra PE sessions in the week, so we ask that PE kits are brought into school during the first week of term and left here till the end of term.
