

Parent Information Sheet

Nursery 1 - Autumn 2 Colours

Aspiration:

Children will continue to learn the routines of Nursery.

Resilience:

Children will be encouraged to wash their hands throughout the Nursery session and have good hygiene.

Commitment:

Children will arrive at nursery on time each day ready to play and learn with their friends.

Harmony:

Children will play together in a caring way and have kind hands.

1st November- 17th December

Topic Challenge Home Learning

At Nursery this half term we are learning all about colours. Please talk about different colours with your child at home, asking your child to find different coloured objects and pointing to specific colours in books.

As Authors:

We will be reading the stories 'Nibbles Colours' and 'Rainbow Chameleon'. We will be recognising different colours and talking about which is our favourite.

As Explorers:

Children will explore the outdoor environment and learn how to use the play equipment.

As Creators:

We will be exploring different materials and colours. We will be looking at light and dark materials.

Useful Information:

At nursery we love to read books. Please read and enjoy books with your child every day. Reading buddy books need to be returned every Wednesday. If you would like to join the local library please speak to a member of staff for more information.
