

## Abingdon Primary School Details with regard to funding

Total amount carried over from 2019/20	£4968
Total amount allocated for 2020/21	£19590
How much (if any) do you intend to carry over from this total fund into 2021/22?	£2,644
Total amount allocated for 2021/22	£19590
Total amount of funding for 2021/22. To be spent and reported on by 31st July 2022.	£22,230

## Swimming Data

Please report on your Swimming Data below.

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B. Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land which you can then transfer to the pool when school swimming restarts.</p> <p><b>Due to exceptional circumstances priority should be given to ensuring that pupils can perform safe self rescue even if they do not fully meet the first two requirements of the NC programme of study</b></p>	<p><b>It is our intention that Year 2 , 3, 4, 5 &amp; 6 will receive 10 consecutive sessions this year.</b></p> <p><b>Our Year 6 attend in June 2022 – results will follow this block of swimming.</b></p>
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p><b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p> <p>Please see note above</p>	%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p> <p>Please see note above</p>	%
<p><b>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</b></p>	%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?</p>	Yes/No

## Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021/22		Total fund allocated:		Date Updated:	
<p><b>Key indicator 1:</b> The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</p>					<p>Percentage of total allocation: 28%</p>
Intent		Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:		Make sure your actions to achieve are linked to your intentions:		Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?
To provide an outdoor environment (with equipment) that encourages active play 30 minutes of active play		Children are involved in the promotion of alternative active play. Building and constructing den's structures and role play environments. Mr Smith and Sports Crew members meet, plan and procure equipment.		£600	Children use upper body strength to carry push and pull unorthodox resources. Creativity in construction and a wider opportunity to remain active while playing is provided.
To promote small sided games during free play periods. Zone <i>some areas</i> to discourage mass matches of football		To install small goals in order that three games can be played simultaneously as opposed to one big game. Children to be shown the parameters of the area and understand the intention of the change		£ 100	Small sided games will promote skill acquisition and see a further increase in aerobic exertion.
Having access to a climbing wall, and using it, leads to a marked improvement of physical literacy in terms of balance, agility and coordination.		To procure and install a climbing area. Whole school training for the safe use for all.		£3250	Improved physical literacy in terms of balance, agility and coordination. An introduction to another alternative sports activity which engages all and improves memory and cognitive

New kit to raise the profile of PE Sport and Exercise – Children excited by wearing the kit – a sense of belonging – a sense of being part of the Abingdon team.	Purchase school kit – provide cold weather track tops to ensure weather is not a factor in the cancellation of PE and sport	£1000	Limited cancellation of PE, Sport and Exercise sessions. Consistent routine of sport and exercise	Budget adjustment for wear and tear, replenishment. Possible sponsored support.
<b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>				Percentage of total allocation: 38%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?	Sustainability and suggested next steps:
NQT staff feel supported well informed and gain the correct foundation skills and knowledge to help support their development as primary practitioners. (PE)	Two members of staff attending the Early Career Teacher's PE Course: 30 <sup>th</sup> Sept, 10 <sup>th</sup> Feb & 7 <sup>th</sup> June	£400	Children benefit from a well-trained and informed staff. The long-term impact will be seen as trained staff implement their knowledge and skills over the coming years.	To offer this course to any new NQT staff.

The training of key staff to build capacity and capability ensuring expertise and knowledge is shared and cascaded to all staff.	2 x members of staff attending the Level 5 afpe Course	£2000	Children are taught by well - trained knowledgeable staff resulting in improved skill set of children.	Succession planning builds capacity and increases the confidence knowledge and skills of staff
Top up skills and knowledge of member of staff. Increase the	1 x member of staff attending the Sportshall Athletics Course:	£30	Higher quality of PE lessons resulting in improved skill set of children.	To continue to support the training of staff in specific areas of the PE curriculum
Improve the skill-set of teachers in PE.	Teachers to work alongside sports leads and sports coaches so that they feel more confident in teaching PE. Courses provided by our SGO	School cover provided Provisional Funding £650	Higher quality of PE lessons resulting in improved skill set of children. Release of PE lead for lesson observations.	Monitor PE lessons Teachers to share areas that they feel less confident.
Getset4PE membership – full online access to a nationally recognised scheme. Improved teacher planning, confidence and delivery of PE.	PE lead to create a new long-term plan for PE. Teachers can access lesson plans for the half termly topics.	£1056	A more creative and inclusive vision for PE. More children engaged and enjoying PE. Increase in health and obesity levels.	Annual membership, feedback from teachers and children.
All children to access high quality PE lessons. Two hours of P.E. (1 hour of expert high-quality instruction and teaching) Two half hour lessons focussed on fitness and skill acquisition (hand-eye coordination)	To maintain the employment of our highly experienced and expert teacher of PE three days a week.  To monitor and support standards of planning and delivery.  To monitor and support our	£4244.4	Using our P.E “Arch” children and staff will be clear on our vision for P.E. <b>Agility</b> (balance, footwork and spacial awareness) <b>Running</b> ((stamina) aerobic fitness)	The supplement paid to allow our P.E. teacher to deliver high quality lessons will be planned for the foreseeable future. When the Sports Premium comes to an end This shortfall will have to be made through

All children to make expected progress in their: physical development; aerobic stamina acquisition of skills: agility and hand eye coordination Composition: develop movement sequences with increasing creativity and complexity.	established sports coach in her standards of planning and delivery of PE.		Composition (Dance & Gymnastics) Hand-eye coordination (catching and sending, striking and fielding)	the school's core funding.
<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>				Percentage of total allocation: 12%
<b>Intent</b>	<b>Implementation</b>		<b>Impact</b>	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Encourage children to develop key skills such as communication, cooperation, problem solving, leadership and respect for others.	Residential booked NT and YHA Whitby and Boggle Hole	£500	Developing these skills help children better understand how they and others may contribute towards a team, a common goal or objective. This can be linked to contributions they are able to make to their local community	Monitor Funding streams such as "Generation Green" and make sensible bids to these organisations
Encourage children to develop key skills such as communication, cooperation, problem solving, leadership and respect for others.	Residential booked St John in the Vale Lake District. Year 5	£2250	Developing these skills help children better understand how they and others may contribute towards a team, a common goal or objective. This can be linked to contributions they are able to make to their local community	Monitor Funding streams such as "Generation Green" and make sensible bids to these organisations to help supplement these opportunities.
<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:

				8%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Join the sports partnership programme and attend as many events as possible.	Member of the Middlesbrough Primary School Sports Partnership	£1000	Number of events attended increases therefore the number of children participating increases. Due to Covid restrictions, virtual events in school may replace sports events at external venues.	Use of SGO data to prove attendance figures. Children want to be part of all the school teams.
Inter School competitions	Attend cluster events with different children to those who attend Sports Partnership events.	£500	Greater number of children participating and representing the school. Due to Covid restrictions, virtual events in school may replace sports events at external venues.	Use of SGO data to prove attendance figures. Children want to be part of all the school teams.
Intra School competitions	School Sports Week –athletics event where all children are in colour teams competing against each other. Older children lead younger children.	£300	Every child participates in a range of athletics events working for their team.	Continue to build a culture within school, that it is great to take part.
