## Year 2 - Lila and the Secret of the Rain

Lila and the Secret of Rain introduces the impact that extreme weather can have on people's lives in a way that children can relate to. With the added magic of folklore, the African setting sparks interest in our world's diverse cultures.

### Aspiration:

Children will be aspiring to use fractions.

### Resilience:

Children will be showing resilience as they continue to develop their fluency in addition and subtraction.

### Commitment:

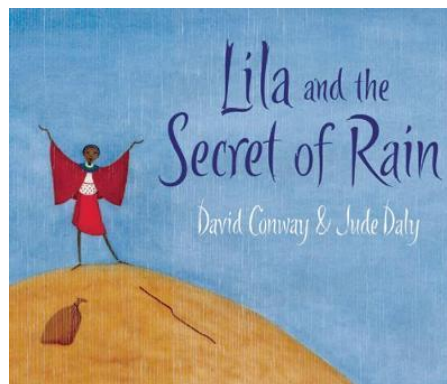

We will be talking about our commitment to making the world a better place.

### Harmony:

Children will be promoting harmony when welcoming new children to our school.

### Term Dates:

Monday 28<sup>th</sup> February - Friday 8<sup>th</sup> April

### As Artists:

We will be exploring colour mixing, shade and tone.

### As Geographers:

We will be comparing Kenya to the United Kingdom.

### As Scientists:

We will be exploring micro-habitats in our local environment.

### Useful Information:

We may have extra PE sessions in the week, so we ask that PE kits are brought into school during the first week of term and left here till the end of term.
