Year 6 - 'The Workhouse'

Our fourth topic will be about Victorian Times and is called "The Workhouse". Our class text is, 'Street Child', which is a narrative that focuses on the life of a young orphan named Jim who is a constant battle of survival in London in the 1860. During literacy, the children will be given a variety of writing opportunities based on this text.

Aspiration:

Children will be considering the importance of always finding the good in people and aspire to be more like Dr. Banardo.

Resilience:

Children will have the opportunity to discuss reasons why people have a desire/drive to reach certain goals, especially when personal circumstances are involved like the characters from our POR text.

Commitment:

We will continue to be committed to strengthening our not giving-up attitude when work becomes a challenge.

Harmony:

We will be considering and discussing why finding positives in the worst possible circumstances is necessary, linked to our whole class reading and POR text
